## **Everyday Is Counting!**

Dear students, parents, Kookums and Mooshums,

Tansi!

For the first two months this school year, we have had 32 of 36 students attend school 90% or better. In October, 20 students had perfect attendance. Over all for the month of October, the school's attendance was 94%. Way to go Conklin! Keep it up!

On Thursday November 5 at 2:30pm, Dr. Don Tessier, Associate Superintendent will present Conklin Community School a plaque recognizing our school's excellent attendance last year. This will occur during our monthly award assembly. Please attend if you can.

To help keep our attendance high and therefore student learning progressing, please make sure your child leaves for school properly dressed for the weather. It's colder outside and our bodies are designed to fight infection and regulate temperature but not at the same time. Just so you know, seven students did not have indoor shoes on last week during a fire drill. Your help on this is appreciated.

## **Family Movie Night...**

Tomorrow night is a family movie night hosted by the school and sponsored by Waypoints as part of their Family Violence Prevention Month activities. More information about Waypoints will be provided during this event. The school bus will go around before the movie to collect families and drop off at the end of the movie. It is expected that children come with their parents, grandparents or guardians to enjoy pizza and hot chocolate plus popcorn and a movie together as a family. Any children without proper parental supervision and causing a disturbance will be asked to leave. **The movie will be The Lego Movie.**

A copy of the school calendar is on the back this newsletter. Subject to change. Any questions please call the school. Feel free to stop by the school and say hi. Have a wonderful rest of the week.

Mahsi!

Mr. Carson, Principal
