

## ABCs of Cupcakes

Amazing cupcakes are really yummy.  
But I like to eat the  
Cupcake mix when there is extra! My mom says  
Don't eat it-we might need to use it  
Especially if we make a second batch! I say  
Fine-but it's so  
Good I need to  
Have it. It's  
Irresistible I have to eat it. She  
Just says no!  
Keep your hands away from it. I got some on my  
Lips I lick it away so my  
Mom doesn't see that I have it.  
Next she bakes them. She turns the  
Oven on, and she  
Put them in. I  
Quickly ask if she can get me milk. I sneak some cupcake mix and  
Run away just like a  
Sneaky rabbit.  
Then I go  
Upstairs and sing. I go  
Visit my grandma's house  
While my mom is baking. I say they are  
X-tra delicious and  
Yummy. She says thank you. I ask her if she can  
Zip up my jacket and go home to eat cupcakes. She says yes.
