May 25, 2016

Dear Students, Parents, Guardian, Kookums and Mooshums,

## **We Care Toonie Drive**

Thank you to all who attended the Movie Night and Community BBQ at the school last week. Even though the smoke put a damper on the BBQ, it was still a success. I'm proud to say that we raised \$182.75 by passing the can around to help Fort McMurray recover. Thank you Conklin!

## **Whole School Field Trip**

**There are only 5 more sleeps to our trip.** Remember – 80% or better attendance, good behavior and complete your assignments.

**Final schedule and packing list is attached to this newsletter.** Both the student info sheet and waiver form for horseback riding/wagon rides must be returned by **Thursday May 26**. All activities are rain or shine so make sure your child is prepared!

**If your child takes medication, please stop by the school on Thursday to fill out additional forms. Thank you.**

Finally, please check your child's head and hair for lice. There has been no reports of lice lately but it is wise to make sure there is none. By doing the head checks now we can prevent the spread of those little pests. Thanks.

## **Swimming**

**I have attached NEW permission slips for swimming.** The dates are listed below. We wanted each class to have six swim sessions but due to the fires and other events that was not possible. Working with the pool, they had some additional dates for us. However, if we have to cancel, there will be no further alternate dates.

## While I'm Away

On Friday, I have to go for a medical appointment. While I'm away, I expect the students to behave like they have been (great students) and even better – remembering the five expectations (Fairness, Safety, Participation, Teamwork and Have Fun).

I have instructed my acting principal, Ms. Catterson that if a student is abusive towards staff, harming others or constantly disrupting class that they can call the students house and send the child home. Of course, if a student is sent home that means their attendance is affected. We want all our students to be in school.

## Thank You

This Friday will be Ms. Catterson's last day teaching the grade 4 to 6 class. Ms. Reck will be returning after the field trip. Make sure you stop by and say thank you. She has done a wonderful job keeping Ms. Reck's students learning while she was away. **Thank you Ms. Catterson!**

As always, stop by the school and see the learning taking place.

Mahsi!

Mr. Carson, Principal

### Important Dates:
