Family Literacy Day – Thank you to everyone who entered the Soup vs Chili cook off and to all who attended our Family Literacy event. Thank you to [Cenovus](#) for your support.

Project Keep Straight is a joint effort between police officers from the Wood Buffalo Detachment and hockey players from the Fort McMurray Oil Barons. Representatives from each of the two organizations travelled to Vancouver where they learned about and experienced the consequences of illegal drug use and street life. The program is designed to provide the players with the necessary skills, knowledge, and tools to present drug awareness and prevention education to school youth in Grades 5 & 6. We are looking forward to this presentation. Please advise the school if you do not want your child attending this session.

ENERGIZE OIL COUNTRY CHALLENGE

As part of our APPLE Schools initiative, Conklin Community School has signed up to participate in the Energize Oil Country Challenge to participate in 60 minutes or more of activity every day for the next 10 weeks. **WE ARE GOING TO NEED YOUR HELP TO ENCOURAGE YOUR CHILD TO PARTICIPATE IN 60 MINUTES OF ACTIVITY ON HOLIDAYS AND DURING THE WEEKENDS.**

Introducing- Library Cards! Our rural librarians have been regularly coming to our school for the last couple of years- we set up a Lending Shelf at the Community Hall which the Conklin Kids DO Care Club helped create along with generous donations from Devon, Cenovus and of course, the Wood Buffalo Regional Library. Now we are pleased to announce that the students have an opportunity to borrow from the regional library in Fort Mc Murray! Forms will be sent home and they need to be back at the school by **Thursday, February 2, 2107**. When the librarians visit next, they will take the forms to the library and return with library cards for those interested! Books will be delivered to the school on a biweekly basis when the librarians visit. We hope all parents encourage students take advantage of this great offer!
