## Conklin Community School Newsletter February 6, 2017

**CONKFIT** – During Tuesday and Thursday recess breaks students will have the option of taking part in a CONKFIT class (our version of CrossFit Kids). It will be 15 minutes of high intensity training for the brave of heart!

**Pink Shirt Day** – We will be recognizing **Pink Shirt Day** on **Feb.22**. Classes will participate in anti-bullying and cooperative activities.

Thank you to Cenovus Energy for their support of our Chili vs Stew cookoff. Congratulations to Joanne Clarke and the grade 7 –9 class for their winning entries.

**Project Keep Straight** is a joint effort between police officers from the Wood Buffalo Detachment and hockey players from the Fort McMurray Oil Barons. Representatives from each of the two organizations travelled to Vancouver where they learned about and experienced the consequences of illegal drug use and street life. The program is designed to provide the players with the necessary skills, knowledge, and tools to present drug awareness and prevention education to school youth in Grades 5 & 6. We are looking forward to this presentation. Please advise the school if you do not want your child attending this session.

**Each class will have a Valentine's Day Party in their homeroom during the afternoon of Friday, February 10<sup>th</sup>.**

### APPLE Talk!!

**ENERGIZE OIL COUNTRY** - Thank you for your continued support in encouraging your child to participate in 60 minutes of activity when they are not at school. Most classes are participating at 70 percent or higher. It would be awesome to have the entire school up over 80 percent after week 5.

**TOWER GARDEN**- We have been fortunate to receive some grant money to begin a tower garden in the school. We are hoping to have the seedlings planted after the 20th of February. Next week Mr. Johnson will have the difficult task of choosing a name for this new addition to our school community from our Name the Tower Competition. All the Conklin students have also brought home a plant that they are taking care of. Once they notice the plant growing they are to bring it back to school. These plants will be placed in our greenhouse which will be coming once the temperature warms up.

**VALENTINE'S DAY** - With Valentine's Day around the corner and Conklin School being an APPLE School we will be sampling red fruit and vegetables next week and making some healthy Valentine snacks. Ask your child what they sampled during the week and try some of these at home instead of all the high sugar Valentine treats.

*"We believe that students have the right to achieve their full potential within a caring and respectful environment"*
