Conklin Community School Newsletter February 27, 2017

RARA Awards- Congratulations to Russell Tippler and Ms. Aneta for winning RARA awards this year. You are both very deserving winners

Mrs. Reck's class with our special guests, Superintendent Gord Atkinson, Administrative Assistant Krystal Potts and Trustee Lois Byers, on Pink Shirt Day!

Thank you to everyone who filled out the Accountability Pillar Surveys and the Principal Evaluation. We appreciate your input.

APPLE Talk

ENERGIZE OIL COUNTRY - Thank you for all of your support with regard to helping your child get their 60 minutes of activity during weekends and holidays. We are beginning week 8 and have 3 to go. Keep up the great work. **MARCH IS NUTRITION MONTH** so don't forget to ask your child about some healthy nutrition facts and check out the newsletter for some easy to make healthy snacks at home all month long.

TOWER GARDEN - On Monday February 27th, our Tower Garden will be given a name that was created by the students. Each class had the opportunity to come up with 5 names for the tower. Mr. Johnson will choose the name on Monday. We will also begin planting the seedlings in the tower on Monday. We will keep you up to date with pictures as the seedlings grow in the tower.

HOME PLANTS - I am hoping the plants that were taken home are growing well. If the stems are getting too long a stick can be placed in the pot and you can tie a string around the stem and the stick. Once we get the greenhouse going we will be asking for the seedlings to be brought back to school so we can plant them in the greenhouse.

"We believe that students have the right to achieve their full potential within a caring and respectful environment"
